

# ÄMTÖHOLM HUNTING & FISHING ESTATE

Rent your own country estate! At a peninsula in lake Ämten Ämtöholms country estate is located, with 750 m<sup>2</sup> living space and a fantastic view over the lake. In Ämten the guests have secluded fishing-waters of 80 ha. Within 20 km are other lakes with good fishing such as Åsunden, Björken and several others. You can find new fishing-waters and adventures each day. Ämtöholm is an active farm with grazing cattle and open rural landscape. The whole manor house of the estate, with 14 rooms, is at the disposal of the fishing guests at Ämtöholm. If you are really lucky you might catch a glimpse of the "lake monster" in Ämten, a big catfish more than 2 m long, that reveals itself when you expect it the least.

## FISHING-WATERS

The estate has its own fishing-waters of 80 ha in Ämten. The feeder streams of the lake run through Ämtöholm's gravel ridges and the water quality is very high. The spring water runs out into a banked up area and is continuously pumped out into the lake. Within half an hour by car are the big lakes Åsunden and Björken and several other good fishing lakes. In the same amount of time you can reach the East Coast with the archipelago.

## FISH

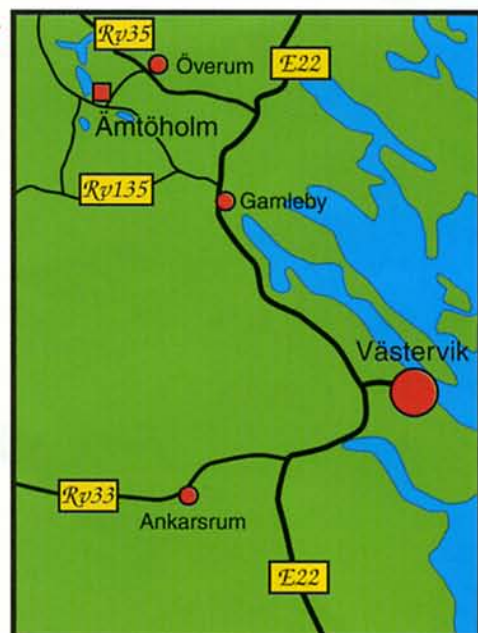

In Ämten there are sturdy perch, pike, roach, bream, crucian carp, rudd, tench, burbot, eel and crayfish. At the estate there

are also three small meres, one of them with "Country Estate Crayfish" over 14 cm and one with rainbow trout and crayfish.

## FISHING

There are many different ways of fishing to choose from: spin fishing (pike, perch), angling (perch, bream, rudd, tench and roach), trolling (pike, perch), fly-fishing (rainbow trout, pike), jigging (perch), ice fishing with special tackle (pike), crayfish cages and lobster cages ("Country Estate Crayfish").

Fishing for pike is best during spring and autumn or trolling in the summer. Perch

can be caught different ways all the year round. Crayfishing is best in August, September and if the autumn is warm, at the first part of October.

## FISHING RULES

In Ämten and the estate's own meres there are fishing rules as per agreement. In the other lakes in the district local fishing rules are valid as per the regulations of each fishing permit.

## BOATS AND TACKLE

Five rowing boats and some tackle can be

rented upon agreement. English speaking fishing guides with good local knowledge can be hired if agreed beforehand.

## ACCOMMODATION

In the country estate there are 14 rooms, whereof 6 large bedrooms, one conference room and 3 living rooms. There are two modern bathrooms with washing machines and drying possibilities. A modern kitchen with dining room is available for self-catering. By the shore there is a sauna. The country estate is adapted to suit allergy sufferers and disabled.

Breakfast, lunch and dinner can be arranged upon orders.

## OTHER SERVICE

There is a grocery shop in Överum, 5 minutes by car from Ämtöholm. In Västervik, 30 minutes by car, there are doctors, bank and other service.

## OTHER ACTIVITIES

In the vicinity there are nature walks, protected nature areas, an ancient castle overlooking Ämten and lots of berries and mushrooms in the woods.

Hunts can be arranged, there are e.g. moose, red deer, fallow deer, roedeer and wild boar.

Within a day's trip you can go to Astrid Lindgren's World and Kolmården Zoo.

## HOW TO REACH ÄMTÖHOLM

30 km north of Västervik, alternatively 70 km south of Söderköping at road E22 take the exit towards Överum. In Överum drive towards Karlshult 5 km and towards Dalhem 2 km and then sign Ämtöholm.
